Hi Bernard,

We refer to the above matter.

Kindly refer to the email from OI for your easy reference. OI disputed third party claim as she is of the view that she is not at fault.

Based on OI's video, OI was driving within her own lane and suddenly there is a jerk/impact on her vehicle. It is likely that third party had encroached into our insured's lane while both parties were making right turn.

Third party had no video/evidence for this matter.

In view of the above, we seek your approval to reject third party claim.

Kindly let us have your comments/approval/instruction. Thanks.

Best Regards,
