Brief Details.

On 17/12/2020 at about 1900hrs, I parked my car (SMT9201T) at Bali lane unknown lot number, in front of Pita Bakery as I went for my haircut. About an hour later, I returned to my vehicle and I saw a cut board placed by a witness (Hasanal - 98339375) who told me that to call him for further info.

I then called the witness who then came down to meet me. He said that as my vehicle was parked in the first lot, right beside the "in-dent" lane, the other vehicle (SLC2487H) who was doing a three point turn, did not make enough wide turn, thus scratched onto my vehicle and left.

I would like to add that there is a scratch on my right side of my rear bumper. I only has in-car camera installs in front of my vehicle, but it was not recording when I switched off my engine. I am unsure if there is any CCTV at the vicinity.

There was no police called at that instance, no one injured, no foreign vehicle and government property involved.
