Dear Sirs/Mdm,

ACCIDENT INVOLVING SKZ 588D(AIG) AND EQ 650A ON 28/11/2020

We refer to the above matter.

Attached is a copy of our insured accident report and video screenshot for your easy reference. It shows that your client was driving on the most right lane instead of the middle lane as reported him. Your client was filtering into our insured's lane and resulted the accident. We are of the view that our insured driver is not liable for the accident.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thanks.

Best Regards,
