No. of Days granted Medical Leave	05		Degree of Injury	Serious

Brief Details.

On 5th Jul 2018 at around 2230hrs, I was riding my bicycle, carbon pink/black Pinarello Dogma F10, along Yishun Ave 1. There is a traffic light at the junction of the Orchid Country Club entrance and the pedestrian traffic light had showed green.

I was alone at that point of time and cycled my way through as the traffic light was already at its green man and was not blinking.

However, when I had already crossed the road, there was a vehicle who wanted to turn to his right and had hit onto me. It happened too fast and I did not manage to avoid it. So as the driver, he did not manage to stop in time.

I fell onto my right side and my bicycle was badly damaged. I was conscious at the point of time.

The driver of the vehicle, SKQ2465J, had assisted me and brought me to Khoo Teck Phuat Hospital as I suffered bruises on the right side of my face, both wrist and knee caps. I also suffered minor scratches on my body.

I was given 5 days outpatient sick leave by the doctor.

I wished to state that I did not have any video recording device while I was cycling. I also wore helmet, proper cycling shoes and two bicycle lights attached to my bicycle at the front and back.
