Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Your client had reported that he changed lane and collided with our insured taxi. The damages sustained to your client vehicle was on the side and not the rear. We are of the view that our insured driver is not liable for the accident as your client should keep in the proper lane and change lane only when it is safe.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thanks.

**"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."**

**In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."**

Best Regards,
