Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Your client had reported that he changed lane and collided with our insured taxi. The damages sustained to your client vehicle was on the side and not the rear. We are of the view that our insured driver is not liable for the accident as your client should keep in the proper lane and change lane only when it is safe.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thanks.
