Brief Details.

On 18th December 2020, I was driving my rental car bearing SME9050R along Tampines ave 1, on my way home after dropping my last passenger at 11 Changi coast walk S(499740). I was driving on the third lane. Before switching to the second lane, I signaled right and checked my mirror and blind spot. After signaling for at least 3 seconds and seeing there were no nearby cars, I switched lane but i felt an impact on my car. A taxi bearing SHD7221S had hit the side of my car. Both car sustained damages. We exchange details and I said we will settle through insurance but he became aggressive and kept saying it was not his fault. He had a dashcam in his car so i told him to check the footage but he just left after that. I was not feeling so well so I went to see a doctor and was given mc.
