Hi Norsiah,

We have uploaded TP & OI video in Merimen.

Based on TP video, third party was straddling in between lane while turning and suddenly there is a jerk on his car.
Based on OI video, third party had encroached into OI's lane while turning and resulted the collision.

We are of the view that OI was driving within her own lane and third party had encroached into OI's lane and resulted the accident.

In view of this, we are intending to reject third party claim.

For your comments/approval please.

Best Regards,

Hsiao Tong, Chew (Ms) | Case Handler
