### Sketch Plan

## Describe Circumstances of the Accident

On 24 Dec 2020, I drove along PIE toward my destination Jem mall.

Accident happened at 16:35hr, after exit PIE into Toh Guan road.

I was at extreme right lane however, few cars ahead of me as I plan to turn right at the next traffic light. Since I decide to change my route, I slowly filter to left (centre) lane.

When my car at a certain angle, the incoming car hit my front part (R) lamp.

Since quite congested, we didn't take photo at the point of accident.

I moved my car along (R) curb and photo were taken and share personal information.

## Declaration

We declare the foregoing particulars are true in every respect.
