AYE		

Describe Circumstances of the Accident

I was travelling along AYE and a black colour car was at a stop/stationary mode under the bridge that make it not visible in the shading area.

I stepped on the brake once I noticed the stationary car at 1st lane but do not have enough time to put the car to a full stop and slightly hit the back of the black stationary car in the shade. It was after rain and many parts of the roads are still wet.

Declaration

I/We declare the foregoing particulars are true in every respect.
