**Brief Details.**

On 26/12/2020 at 1525hs, I was driving my taxi SHB6635Z along Hougang Avenue 9 turning left to enter Yio Chu Kang Road with 1 passenger on board. Everything was intact and in order, and there was no pedestrian crossing the road. As I reached the stopping line along the slip road, I slow down to a stop to check for any oncoming vehicle on my right side.

Out of a sudden, I felt an impact on the rear portion of my taxi and the impact caused me to surged forward. Subsequently I parked on the side of the road to make a check and found that a car SKT1933R front portion had collided onto my taxi rear portion causing a dents and scratches. I then spoke with the driver of SKT1933R namely Gilbert (Hp: 91193055), exchanged particulars with him and left the scene. I also made a check with my passenger and he informed that he is not hurt or injured before he flagged another taxi down and left.

On 28/12/2020, I felt discomfort from at the rear neck and back portion hence I went to A Life Clinic Pte Ltd to make a check and was given 7 days of MC from 28/12/2020 to 03/01/2021 by Dr Choo Kay Wee (MC No: MC2012280772).

I am lodging this Traffic Accident report for my company's claim purpose.
