### Brief Details.

On 12/12/2020 at about 11.00am, I was riding my motorcycle registration number JRN5114 along Bedok North Road heading towards Eunos vicinity. The weather was clear and traffic was moderate. I was travelling on the left lane of the 2-lane road.

As I was about to pass the car park entrance to Blk 111 Bedok North Road, I observed that there was a van inching out of the car park, believed it was intending to turn right. As I was already very near to the yellow box, I sounded my horn to warn the van driver however the driver suddenly moved forward. I applied my brakes and at the same time, I swerved slightly to the right but I still hit onto the front right of the said van.

The impact caused me to fall off my bike. I felt pain on my head and legs and just laid down on the road. I remembered police officers attending to me asking how my condition was. I only managed to give them my particulars and contact details. Awhile later, ambulance came and I was conveyed to hospital.

I received treatment at CGH and was warded till 19/12/2020. The doctor diagnosed my injury as PCL sprain and I was given 29 days of MC. On 16/12/2020, an officer name David called me and advised me to lodge a police report once I am discharged. I have no video camera attached to my bike or helmet.
