**Brief Details.**

We (my family of 5- myself my wife and 3 kids )were driving from Mandai road waiting to turn right to Mandan lake road at 7pm. The green light with green arrow was on, and the cars in front of us were turning right. When it was our turn to turn right the green arrow disappeared and it was only the green light signal on, meaning I had to give way to oncoming vehicles. Hence I started to brake and the taxi behind sounded its horn at us urging me to move forward. However the oncoming vehicles were starting to move forward and hence I braked and my car came to a stop. The taxi behind then collided into the rear of my vehicle. Police was called and my daughter was conveyed to Kk hospital in the ambulance for head injury.

The sd card In my car was taken by the tp who attended to the scene.
