SKETCH PLAN #2

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

On 20-12-2020 about 8pm, I was driving my rental car (SGN6223Y) along River Valley Road in the 3rd lane from the right with 2 female passengers inside my car. Upon reaching traffic junction ahead, the traffic light just turn green to my favour. So I slow down and gradually moving for the vehicle ahead of my car - was a BMW. Suddenly I felt someone from behind and I realised that Veh B (SLK 3030C) did not brake in time and collided with rear portion of my car. Hence I have to lodge this report to claim against Veh B's Insurance for my accident damages. My car had been installed car camera recording and I will submit my accident video footage for my accident claim purpose. I felt pain in my back after the accident and I went to visit my doctor and was given 3 days off work. I will follow up my medical treatment if necessary.
