Dear Rasul,

Good afternoon, please refer to SGQ8383U final pictures for your reference, thanks.

The behind boot-spare tyre cover /pls take a note

This vehicle is PI vehicle, body pares all aluminum, for this boot cover-spare tyre cover was dent and crack.

Local agent's spare tyre cover shape abit different, we replaced order from Japan, due to the current Covid situation, may take longer time to reach.

Once the part arrives, we will ask client to come over to replace it, thanks alot.

Thanks Rasul,
