Brief Details.

On the above mentioned date and time, I was driving the said police vehicle at the said location. I wanted to park the said police vehicle into a parking lot in the open space car park (did not take note of lot number). While reversing into the lot, I hit on another vehicle which was parked stationary in the left lot. My vehicle rear left side hit on the other vehicle's front right side. There was no one inside the other car. I left a note on the other vehicle. The driver eventually contacted me.
I am not injured. There was no passenger in my police vehicle when the incident happened.
