Without Prejudice

Dear Sirs/mdm,

Apologised for late response.

We have reviewed the matter and based on the damages profile of both vehicles; we are of the view that our insured version is more credible. We regret to inform you that we have our principal instruction to reject your client's claim.

We will review the matter if there is any fresh/new evidence(ie: PIR/Video).

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.
