Sketch Plan

Describe Circumstances of the Accident

Driving from Newton towards Thompson Road. Car stopped at the junction of SPC petrol station traffic light.

My car was on the right lane then I change to the middle lane slowly after ensuring no more car behind. Right after ~~my~~ my car is in the middle lane, a car from the left lane suddenly dash through in front of me and hit the left side of my car.

I have videos / recording both rear and front. From Rear camera, it showed no car in the middle lane when I changed and captured his car was still on the left and no other car in the middle lane. I also had use the ~~left~~ right blink / turn signal.

From the front camera, can see that my car ~~was~~ in the middle lane, have changed lane successfully when his car suddenly hit me from the left. He changed lane from left to middle ~~without~~ signaling, and I ~~was~~ was fully in middle lane already. (view from the rear video)

Declaration

We declare the foregoing particulars are true in every respect.
