Dear Hsiao Tong,

I make reference to the case above.

Can I check with you if there was any collision that had happened as I was unable to determine if damages to TP vehicle was a result of the accident.

Video footage did not show any collision.

Further to that, can you help me confirm the details of Insured driver and driver has authorization to drive from Insured

Noted that insured driver claims to be spouse of Insured, but Insured driver address is different from insured.

Can help to check before I approve mandate.

Regards

Jeremy Goh
