[ACCIDENT SJF 1927U(III)/ SMR 2560M(TP) / OTHERS ON 14/01/2021]

Hi Derrick,

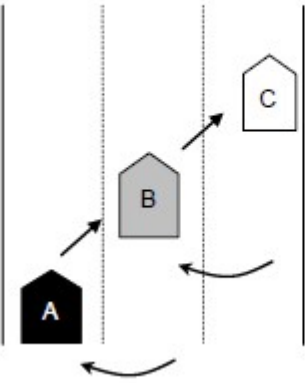

We refer to your below email.

Please be informed that third party had no video footage for this matter. Third party reported that he was traveling along Dunearn Road, our insured hit onto his left side causing him to collided into SMU5769T.

Our insured driver reported that she was moving into the middle lane and suddenly she felt an impact from the right side and noticed that third party hit onto her right front side.

The driver of SMU5769T reported that she was traveling along Dunearn Road. While she is waiting at the traffic light junction, third party hit onto the left side of SMU5769T. She get down of her car and realised that it is a 3 vehicles chain collision.

Based on all parties report and scene photos in insured SAS report, we are of the view that BOLA 28(g) is applicable as our driver reported that she was moving into middle lane which is likely she changed into third party lane and hit onto third party vehicle. Third party collided onto SMU5769T.

	SCENARIO	DESCRIPTION
28.	(g) 	A is 100% liable to B B is 100% liable to C Note: I. If there is no contact between A and B, BOLA scenario 15 apply. II. If there is contact between A and B, BOLA scenario 28 (g) apply.

Kindly let us have your instruction on this matter as third party is chasing for offer. Thanks.

Best Regards,

Hsiao Tong, Chew (Ms) | Case Handler

Hi Derrick,

We refer to the above matter.

Please be informed that third party had no video footage for this matter. They insisted that based on report and scene photos, chain collision is applicable.

We noticed that SMU5769T(car hit by third party) reported that there is a video footage in his SAS report.

Could you assist to retrieve a copy of video footage from SMU5769T in order for us to further review the matter?

Thank you.

Best Regards,
