Brief Details.

On the stated date, time and place,

I was travelling along Ang Mo Kio Avenue 3, going home. I was in the middle of 3 lanes. I stopped at the junction near to the Ang Mo Kio Hub as the traffic light turned red. It was not a sudden brake, but a gradual one. I was the first vehicle in the middle lane, just before the stop line. Then, a few seconds later, a car, SLE4740C hit onto the rear of my vehicle. My partner stayed in the car, while I got off the vehicle to assess the damage and talk to the driver of the other car. The driver of the other car was a pregnant lady. At that moment, no one was complaining about getting hurt. We talked about how to settle this and decided to just claim insurance since no one was hurt. We exchanged particulars and took some photos of the scene. After that, I left the scene. I had no idea the other driver called ambulance. Case is under IO Ken Lee. Ext: 6547 6423. That's all.
