CONTINUATION OF REPORT

Brief Details.

On 02/12/2020 at about 1305hrs, I was driving my vehicle bearing registration number, SLD6636M along Ayer Rajah Expressway towards City on the third lane filtering to the fourth lane when a motorcycle bearing registration, FBR8918G hit on the left rear bumper of my vehicle. There is a female passenger in my car during that accident who also willing to be a witness for me (Cathy / 90178767).

I immediately stopped my vehicle and assisted the female rider to stand up. I am sure that I indicated my left signal and checked my left side view mirror to ensure that it is safe for me before filtering.

I then filtered my vehicle to the shoulder lane.

There were a few drivers who stopped and rendered assistance to the female rider.

My vehicle has in-car camera installed and the Traffic Police officer took over my vehicle in-car camera SD card. I was given a NP323 by SGT Joey Png after she took the SD card.

I wish to state that I only have the handphone number of the female rider (FBR8918G) which is 98787073.

My vehicle has damages on the left side of the burnper.

The motorcycle has damages on the handle and the ride side fairing.

There was also an ambulance and 2 traffic police officers came to accident scene. The female rider was conveyed to hospital by the ambulance.

I do not know the cost of the repair of the damages of my vehicle.

I am lodging this report as instructed by the Traffic Police officer attended to the accident scene to lodge a police report. Ref to D/20201202/0052.
