# Brief Details.

On 22/01/2021 at 2317hrs I received a Grab notification for a passenger at Ikea Tampines Shuttle Bus Berth. I was at 33 Tampines Central after dropping off another passenger. Whilst driving along Lane 1 on Pasir Ris Industrial Dr 1, I had glanced at my GPS mounted on the holder located on the Driver right-side aircon. When I look up on the road I realized I had mounted the divider curb. I immediately applied the brakes and shift the gears to neutral. My car had hit onto the plants. The pipes holding the trees had caused my windshield to crack. My front bumper was damaged and my car had to be towed to my workshop. Some members of the public had assisted to clear the branches away from me and render help. I wish to state I was not injured. The airbags did not deploy as well.

Shortly after Police and Ambulance came to scene.
