**Brief Details.**

On the stated date, time and place,

I was stationary at lane 2 of Moulmein road, junction to turn right into CTE. As the CTE AMK was jammed and not moving, I changed lane to lane 3 on clear traffic, no car in front or behind on lane 3. As I moved off at 10 km per hr, SLF2956E right back door. It was drizzling at that time. Visibility was good. After contact, he moved and stopped his vehicle on lane 4. He came out of the car not injured. The back door was able to open with no issue. We moved both vehicles to Balestier road to exchange details and take more photos. At that time, he said he was not injured. No government property was involved. That's all.
