STATEMENT,

At 1845 hrs, when I was drove out my vehicle (van) out from the sunshine place multistory carpark while reached the second level I was about turn downwards for the exit. All of sudden. I heard a sound like crashed. I went down inspect the vehicle. It was a big screw stuck in the hole of window grill. There is no way for me to move forward or backward meanwhile there was a few cars waiting for me at behind. I also realised the big screw from the wall hitting my window. I tried my level best to find a way to move my vehicle from the obstruction of the vehicle. In the progress of moving the vehicle unfortunately the window grill pulled out by the big screw and also break my vehicle side window. No injuries or third parties involve in this screw.
