Hi Tuck Foo,

Please **Do Not Repair SHB630B**, as this taxi will be written off due to “Beyond Economical Repair”.

Aside to Zhu Hui,
Please take note that taxi is to be **scrapped** and TS partner is liable to pay the repair contribution instead of total loss.
Attached is the email approval for your reference.

Kindly advise the last rental date and time after the BER flag has been raised and job card is closed.

Aside to Credit Control,
Please assist to call and inform TS partner regarding the payment.

Aside to Darren,
For your noting, please.
