Describe Circumstances of the Accident

I was leaving the Audi service center at Ubi on 25/1/21 at 1:38 pm. I was parked behind car "C" against the building and reversed backwards to prepare to turn out on my left. I checked my rear mirror and proceeded to turn out on my left with my signal light and car 'B' came along on my left side and brushed his right back side door against my left front side of my car breaking my front left light and side bumper.
