**Brief Details.**

On 16/01/2021 at 1827hrs, I was riding my motorcycle FBN5682B on lane 1 of Jurong East Street 21 (towards the mosque vicinity). On approaching near to block 208, I observed a light-blue coloured car coming out from the carpark opposite the said block. As I continued forward, the car continued coming out the carpark and made a right turn into my lane. Despite sounding my motorcycle's horn, the car did not stop moving and hence, got too close to my motorcycle. I tried evading the car by swerving to the left, but a collision still took place between both vehicles, the car's left portion of its front bumper and my motorcycle's exhaust pipe. I lost balance and fell to my left.

I was assisted by some passer-by to the roadside, where I felt immediate pain on my back and had abrasions as well on both my forearms. I saw that my motorcycle sustained damages on its left. I managed to exchange particulars with the car's driver. Ambulance and Traffic Police soon arrived, where I was later conveyed to Ng Teng Fong General Hospital, discharged on the same day and granted with 3 days of Medical Leave. My motorcycle was towed by Traffic Police.

Earlier today, I felt more pain on my back and my shoulders started to ache. After seeking further medical attention, my Medical Leave was extended to 21/01/2021.
