Brief Details.

On 17/01/2021 at about 0940hrs, I, together with my wife, Nuraina Binte Mohamed Zain, NRIC: S8846442G, left my place of residence at Edgefield Plains on my motorcycle bearing registration number FBQ1466U. I was the rider, and my wife was the pillion. I was heading to my parents' house located at Blk 943 Hougang Street 92.

Along the way, I was travelling along Hougang Avenue 4 (towards Upper Serangoon Road). At the junction towards Hougang Avenue 4 and Hougang Avenue 9, I notice that the green arrow was on. Upon checking that traffic was clear and safe, I made the right turn.

At about 0950hrs, a short distance after making the right turn, I noticed that there was a dark coloured car at the carpark exit after Hougang NPC, waiting to exit. When I noticed that the car was inching forward, I sounded my horn. The next thing was an impact on the left of my motorcycle.

When I came round, I got up and noticed that my wife was lying on the other side of the road, about 5 metres away from my motorcycle. I proceeded to check on her condition. She was not responsive at first, but regained consciousness a short while later.

A short while later, a number of uniformed Police Officers from Hougang NPC came and rendered assistance. I can remember that an ambulance and Traffic police were activated

by the Officers. I can recall that there was a male Chinese in his 40's or 50's who came and apologised, and mentioned that he had a 'camera' while pointing towards the direction of the before-mentioned dark coloured car.

A short while later, an SCDF ambulance arrived at scene and rendered further medical assistance to me and my wife. The paramedics arrived and provided preliminary first aid to me and my wife, and checked on our conditions. A short while later, a Traffic Police Officer arrived at scene.

A short while later, I, together with my wife were conveyed to Sengkang General Hospital Emergency Department, where I received medical treatment.

I suffered multiple cuts and abrasion on my back, elbows and lower legs, and swelling on my left lower leg. My wife suffered swelling on her fingers on her left hand, and abrasion on her left leg. I was given dressing for my wounds and my wife was given an X-ray. We were informed that preliminary findings showed no signs of fracture. We will be informed in due time for any emergency follow up.

At about 1400hrs, we were discharged from the hospital and given 4 days outpatient sick leave. We made payment and collected medication, and left the hospital thereafter.

On the same day at about 1633hrs, I received a call from TP IO Adlina to lodge a report for the accident.

That is all.
