Validity of this estimate is 14 days from date of quote. This is a computer generated document, no signature is required. Estimated costs quoted are excluding GST. We would mention that the above estimate is based on our initial inspection and does not include any additional parts or labour which may be required after repair work has commenced. Occasionally worn or damaged parts are discovered after work has started and needed for repairs or replacement. However, should this occur, we would advise you. Please be informed that a deposit of 50% of the above estimate is payable before commencement of the work. Payment for this may be made in cash, credit card or cheque. You must also agree to pay full amount for renewal of the windscreen in the event of inadvertent breakage in the course of renewing the rubber seal or other repair requiring the removal of the windscreen.

Brief Details.

Hit and Run. Other car did not stop!

I was turning right onto the Portsdown Road Flyover from the left lane (at 1.39pm this afternoon) from the AYE Exit 7A Normanton Park when a car in the right hand lane drove straight on (that lane is for right hand turn only), the car crashed straight into my side and drove off ahead returning towards the AYE. The car did slow down but it did not stop. Then it pulled into the bus stop so I also pulled in behind a bus but when I got out of my car to speak to the other driver, the car had already driven off. This was within a matter of minutes. I have full video evidence (the files are exceeding 2MB) of all this including them driving off. The other car was a Blue SG Hire car registration SMP2620J. My car was left with a big dent in the right wing and a big shock to me.

Please contact me so that I can provide you with the full video of the car crashing into me and driving off. I am having problems uploading photos even though they are JPEG..
