CIRCUMSTANCES OF ACCIDENT

On 19 Jan 2021 at around 1850hrs, I was travelling on the middle third lane along Hillview Avenue heading towards the direction of HF Bus Interchange on Service 963. My bus speed was around 15-20km/hrs. While bus was approaching the signalized T-junction of Bukit Batok Avenue 2. The traffic light was showing red in color so I stopped my bus at the stop line and waited. While waiting, I noticed that there were vehicles on my both sides of the lane and a motorcycle had stopped in-between the extreme left lane and the middle lane. When the traffic light turned to show green, the vehicle on my right side began to move forward preparing for their right turn into BB Avenue 2. My bus was moving forward too. I checked continually on my right side to prevent any vehicle from collision. When bus had passed half way the traffic yellow box, the motorcycle on my left side made a sudden right turn and encroached in front of my lane. Upon seeing this, I immediately stepped on my bus brake to avoid collision with the motorcycle but the bus could not stopped in time. My bus collided onto the motorcycle and third party motorcycle with the rider landed on the road which was at left side of my bus. When bus had completely stopped, I alighted from bus immediately to help the rider. When the rider stood up, I noticed that the rider had sustained left leg abrasion. So I asked if he need an ambulance to assist but it was declined by the rider. So I called BOCC to report this Against Cyclist accident case. Ambulance was called by an unknown helper. After initial assessment and treatment by paramedics, motorcyclist declined to be conveyed to hospital and left scene. Police completed investigations and release bus. Bus deployed off service to WTBP.
