Brief Details.

On the 26/01/2021 I was driving my vehicle bearing registration plate number SJG7294S along PIE towards Tuas Road heading towards to work. Just before the Tuas Flyover, I noticed that there is heavy traffic and I had already slowed down. While travelling, the vehicle in front of me had abruptly break and I also stepped on my brake. Subsequently, another vehicle bearing registration plate number SMF8938G had collided into my rear. At that point of time, I felt very dizzy and was conveyed to Ng Teng Fong General Hospital by the paramedic. My vehicle sustained dents on the rear bumper. The other party sustained dents on the front bumper.

I was given 3 days MC from Ng Teng Fong General Hospital from 26/01/2021 to 28/01/2021. At the hospital, the TP IO Jeff called me and informed me to lodge a police report. I wish to state that I do not have any in-car camera on my vehicle.
