Dear Ms. Chew,

Thank you for this email. But my driver said that the fault wasn't his but the other party's. It was clear that it was a one-way lane and the other party makes a rash overtake which resulted in an accident and luckily my driver was fast to react. But most importantly he didn't injure himself. So we are not keen or obliged to their demands. Please advise if we should make a police report for dangerous driving and let the other party get a bigger penalty or punishment.

**Best regards**

**ACCIDENT INVOLVING GBK 365R(AIG) AND SMU 8839E AT/ALONG ARAB STREET ON 26/01/2021**

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, AIG Asia Pacific Insurance Pte Ltd to deal with the third party claim against your policy.

We have received a claim from SMU 8839E against your motor insurance policy.

Both parties involved have given conflict of version. Based on the circumstances of accident and both parties damage profile, there is no conclusive evidence to substantiate either's parties version. Pursuant to the above said accident wherein you and/or your authorized driver had amongst other information given us your version of how the accident had occurred, we as the appointed agent of your insurers shall proceed to negotiate for an amicable settlement with third party claimant.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by **03/03/2021**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.
