

SKETCH PLAN

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was exiting Gardens By the Bay car park and travelling along driveway to the Main road. It was raining and night time and dark. I looked and ensured there was no car before changing to the left lane. The other car had no headlight and hit my left rear door while I was changing lane. The other driver switched on the ~~head~~ headlight after the incident. Based on the video, it can be seen that there was no indication of light on the left lane.
