#### Brief Details.

On 03/02/2021, at about 0915hrs, I was driving my manager's vehicle bearing registration plate number SLL7636P from my worksite heading back to my office, going by PIE. When I was driving, and exiting PIE at Pioneer Road North (Exit 38), a lorry bearing registration plate number YP4870Z hit into my vehicle from the rear causing my vehicle (SLL7636P) to be damaged.

The traffic condition was heavy and there was a vehicle in front of mine that swerved into my lane, hence I stepped on the brakes. Subsequently, the lorry at the rear failed to stop in time and hit into the rear of my vehicle.

After the incident, I went to the clinic to get a check up as I felt discomfort in the back of my neck and was given a 3-day MC by Dr Soong Yi Wei Daniel.
