CONTINUATION OF REPORT

Brief Details.

On 31/12/2020 at about 2100-2130hrs, I parked my red motorcycle, FBR7180Z, at the open carpark of Blk 851 Tampines Street 83, open motorcycle lot 119A.

On 01/01/2021 at about 0825hrs, when I got to my motorcycle, I discovered that it was damaged, and that it had been moved by someone. It looked like it had fallen down and someone picked it up and placed it back into the lot. Also, I saw a note left behind on the motorcycle "Sorry, we tripped your bike. If anything, please text 83179942".

I wish to state that the left side of the motorcycle is badly damaged. The left mirror, the handlebar, the clutch lever, the front and back scoop, IU machine are all damaged.

I tried to call the number given on the note, but I heard the message "number is not in use". I also tried to message the person, but I did not receive a reply.
