**Brief Details.**

On 05/02/2021 at about 1720hrs, I was driving my company's silver Toyota Dyna lorry (GBJ7058L) along Tuas South Avenue 3 towards Pioneer Road on the third lane. As I approached the T-junction of Tuas South Avenue 3 and Tuas South Street 2, the traffic light turned red and I slowed down before coming to a stop. While waiting for the traffic light to change, I felt a great impact coming from the rear of my lorry. I then alighted to make a check. I then discovered that an orange in color Scania lorry had failed to stop and collided with the rear of my lorry. I then informed my colleague and also exchanged particulars with the driver of the said lorry. My colleague then came over and called an ambulance for me as I felt pain all over my body. Shortly after, I was conveyed to Ng Teng Fong General Hospital for treatment and received 3 days of MC. The damages to my company's lorry include damaged rear portion and the two sliding door were damaged and came off as well. The front dashboard also came off and the front portion of the lorry was dented due to the impact. The front cabin near the carrier was damaged as well. The lorry was also not able to start as there was an oil leak. My lorry was then towed.
