Describe Circumstances of the Accident

I was driving along Wallich Street. I suddenly heard a sound. I thought I had hit a kerb and drove on. Did not see any car around. I continued to drive but had difficulty as there was a screeching sound coming from the car. I stopped to find out what was wrong & realised I could not open the door wide enough to get out. I continued to drive & as the sound from the car was still there, I stopped & got out of the car from the passenger side. I noticed a car has been following me & when I got out I saw the car following me also had damage on the left side.

I realised there was an accident & Mr Oo Chong Kuan, Kelvin of the other car also came out.

We decided to drive to the side road which was Peck Seah Street to discuss what happened.

There was no injury on me or the driver of the other car. We decided to contact our car insurance to see what to do.
