Brief Details.

On Tuesday 12th January 2021 at around 8.30am, I was riding on the left most lane on PIE (Tuas) at BKE (Woodlands) exit. It was raining, road was wet and traffic was heavy. I heard a loud screeching sound from my rear right side. I glanced to my right and saw a blue pickup truck heading towards me. Immediately after, I was hit from my rear right side and blacked out. I was informed by my colleague who came to assist me at the accident site, that the involved truck was still on scene. The truck's plate number was GBD1722Z. There was no video recording on my part.

The serious injury that I sustained from the accident is an open fracture of my right elbow. I was conveyed to Ng Teng Fong General Hospital, and underwent surgeries for the injury.
