CONTINUATION OF REPORT

Brief Details.

On 12/02/2021 at about 1712hrs I was driving in my vehicle(SLE747K) along Seletar Expressway heading towards Central Expressway, 7.2 kilometers after Mandai. I was driving in the right most lane. At this time, a vehicle in front of me came to sudden stop as the vehicle in front of him also did the same. I managed to stop in time to avoid a collision with the vehicle ahead of me.

Unfortunately though, The vehicle(SLG7108Z) behind me did not manage to stop in time and hit my car. This caused the vehicles behind him to also collide with each other. 4 other vehicles were involved in this accident.

My car suffered damaged to its rear boot portion. The rear boot portion of my car, together with my vehicle plate number got dented inwards as a result of the accident. Presently, I am not injured from the accident and traffic police was at the scene of the accident.

The ambulance were also present, however no one got conveyed. I have an In car camera, that is taken by the Traffic police officer at scene. I am the one who called for the police.
