Hi Hsiao Tong,

Our client do not have (video footage/ scene photos / PIR).
Therefore based on both driver's statement, they are blaming each other.

Hence for an amicable claim settlement, we appealing for 50/50 Liability status.

Looking forward to your supportive reply.

Thank you.

SLH7860D Driver statement.

Describe Circumstances of the Accident
On 14 Feb 2021 @ 12 01 am, I am travelling along Yishun Ave 1 on lane 2
As I was thinking of wanted to turn right or go straight at a very low speed about 35km/h
Out of sudden, the vehicle "B" SHD2456P cut into my lane at the fast speed and hit onto my left side of the front vehicle bumper, fender and left front door without stopping. And we have to horn at he till he stopped after the traffic junction. And the taxi driver just said lets insurance company do the accident repairs settlement

SHD2456P

<p>On 14.02.2020 @ 0005 hrs, I was driving my taxi SHD2456P with one male passenger along Yishun Avenue 1 on Lane 3. There was a car on Lane 3 blocking my way, thus I checked for traffic cleared then I proceed to filter to Lane 2 (Lane 2 can go straight or right turning.) When my taxi was travelled straight in Lane 2, out of sudden there was a car SLH7860D intended to travel straight instead of right turning, thus she changed lane from Lane 1 into my lane intention to go straight. As a result, SLH7860D left front portion collided into my taxi right front door and right front fender.</p> <p>After the accident, we alighted from our vehicles to check on the damages. No one was injured in the accident.</p> <p style="text-align: right;">14/2/2021</p>

Dear Sirs/Mdm,

Please be informed that liability is unclear. Attached is a copy of our insured accident report for your easy reference.

We would like to request for evidences (ie: video footage/ scene photos / PIR) for our necessary action.

Appreciate an early reply.
