WITHOUT PREJUDICE

Dear Elin,

We are of the opinion that this is a case of conflicting versions. Both our insured and your client reported change lane to each other. There is no conclusive evidence yet to substantiate either party's version. Enclosed here with in this email is a copy of our insured's accident report for your perusal.

Kindly forward to us the video footage or any evidences from your client to support your claim. We have our principal's instructions to reject the claim if there's no evidence or no reply from you by **03/08/2021**.

Thank you.

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”
