ACCIDENT INVOLVING SKZ 4727T(AIG) AND SLP 1675U ON 23/02/2021

We refer to the above matter.

We would like to request a copy of your client video as stated in her accident report for our viewing. Attached is a copy of insured report for your easy reference.

Describe Circumstances of the Accident

I was driving on Jalan Jurong Kedah and stopped at the traffic lights waiting to turn right onto Jalan Anak Bukit. I was travelling home to Jalan Kampung Chantek after dropping my son at his school (Bukit Timah Primary).

I was stopped at the traffic light on a busy road. The traffic lights changed from red to green. The cars around, including the car in front of me SLP1675U began to move forward. I started to accelerate.

The car in front slowed and I didn't manage to react quickly enough and hit the rear of vehicle SLP1675U. We both got out of our cars, the driver lived nearby, said she was ok and asked if we can share details at her condo carpark. I followed her and we did this.

Thank you.
