Brief Details.

On the stated date and time, I was involved in a hit and run accident. My vehicle was park outside the coffee shop at 53 Ubi ave 1, Paya Ubi Industrial Park. I was told that i could not claim anybody without proof. It was until yesterday, 25/02/2021, i spotted a cctv from the estate management that was pointing the direction of the incident that took place. I seek the management for help and was told to file a police report as it was a hit and run case. After some searching from the cctv, i was provided with the footage captured from the management on how the accident happened. From the footage, There is a big lorry parked infront of me and suddenly, the lorry move backwards and hit onto my car and resulted damage from top to bottom of my car front portion. From the footage itself, we can clearly see that the driver/attendent of the lorry was aware of what happened as they were outside of the lorry handling delivery but had ignored of the collision. As the management search further from the exiting gentry system, it was said that the lorry number plate (YN1706X) was captured leaving the gentry of the estate at around 5.08pm. i hold a copy of the footage from the management and a picture of the said lorry from the exiting gentry. I seek help from the police to resolved this matter for me. Thank you very much!
