Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Attached is a copy of our insured video footage for your easy reference. Both vehicles were travelling on the same lane and our insured was ahead of your client vehicle, then your client was coming from behind, swerved right and collided onto our insured vehicle. Our insured insisted that he is not liable for this accident.

In view of this, we regret to inform you that we are unable to look into your client's claim.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.
