Dear Hsiao Tong,

Before the impact, our client was in front of your insured. Your insured stop but suddenly move off again which causes the accident.

Nevertheless both parties is at fault for this accident, we propose 50-50 to settle this claim.

Attached is a copy of our insured video footage for your easy reference. Both vehicles were travelling on the same lane and our insured was ahead of your client vehicle, then your client was coming from behind, swerved right and collided onto our insured vehicle. Our insured insisted that he is not liable for this accident.

In view of this, we regret to inform you that we are unable to look into your client's claim.

Thank you.
