Describe Circumstances of the Accident

I would like to report unsafe driving behaviour and minor accident involving me and another party (SKJ180E)

Date: 9th Feb 2021

Time: 6.20pm

Location: Nicoll Highway towards KPE/TPE Tunnel entrance.

While already forming up and waiting in line to enter KPE Tunnel

A black mercedes cut queue and aggressively tried to get in between cars

- Other party fails to form up in line
- Other party did not ensure it was safe to cut in before doing so.
- My car was not moving when a small impact was felt.

While cutting in, the other party front bumper brushed against my rear fender.

After getting off our car, the other party asked why i don't move into the next lane and let him cut in.

He then insist my damage is minor scratches while his car looks totally scratchless, he suggested me to go back and use wax to polish off, which i agreed to.

After taking photos and exchanging particulars, i let him know that i will go back and assess my damage, if i don't call him means no problem.

I did so because

- it was raining (Hard to assess the damage with rainwater)
- Our cars are holding the traffic into the tunnel (rush hours)

From his front camera, it could be seen that i told him that i don't want to hold the traffic (while pointing to the backflow twice), he gave me a pat on the back and off we go.

I then received an email from my insurer that there was incoming claim from Third Party SKJ180E from Cycle & Carriage.

It surprised me to receive a claim against me, which seemingly i was the victim who was not going to pursue the matter, i was in lane all the while.

Above is exact statement i made to TP to report unsafe driving behavior.

Declaration

I/We declare the foregoing particulars are true in every respect.
