**Brief Details.**

On 25/02/2021 at about 1650hrs, I recalled driving my vehicle bearing plate no (SMT1187D) out of 54 Chin Swee Rd Carpark Exit, when a traffic accident had took place.

From what I recall, my vehicle had slow down at the said carpark exit junction, as I was awaiting to turn right into Chin Swee Rd. Upon making the necessary the check and in ensuring that the incoming vehicle had came to a stop, I eventually drove out of the said carpark slowly filtering into the yellow box junction onto Chin Swee Road. Unfortunately, one vehicle bearing plate no (SLG9460S) had failed to stop and in giving way to my vehicle, as such resulting in a collision with my car. From my observation, the front left side of my vehicle was slightly damaged by the oncoming vehicle whom was going straight at the said junction, while I was making the right turn.

According to my knowledge, nobody was injured, no government property was damaged. We eventually stop at the side of the road in exchanging both our particulars prior to driving our vehicle off.
