Hi Hsiao Tong

I've added 3 more photographs in the Google Drive as follow:

- (1) IMG\_6775
- (2) IMG\_6776
- (3) IMG\_6767

Please update the photographs, thanks.

Hi Hsiao Tong

You can access the photographs and video clip pertaining to the accident (SCA65Y and SLZ5160J)

The video is in actual size showing how the accident occurred. Kindly note that the pre-existing dent on the rear of SLZ5160J can be seen after **4 seconds** from the start of video or at the **7:16:10pm** as shown at the bottom of video.
