Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

We attached here with a copy of our insured car video footage for your easy reference.

From the video, it shows that our insured was driving within his own lane and hit by your client. We are of the view that our insured is not liable for this accident.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."
